ABOUT US

Roshan Minar International is an accredited Manufacturer, Exporter and Supplier of Bags, Fashion Accessories & Home Furnishing Items like Jute Bags, Cotton Bags, Cushion Covers, Bandanas, Aprons, etc. designed with perfection, our offerings can be procured in small and massive quantities all around the year.

In order to meet the demands of the clients, we process standard and bespoke product requirements of the clients.

The Facility

Roshan Minar International has invested a large sum for developing an in-house facility. We have parted it into different segments for the ease of printing, dyeing, quality checking, storage, packaging, and other related processing.

A team of experienced individuals works in coordination to ensure that a flawless range of products is delivered to the clients.
