

Nourishing life

Your Basket of Health & Happiness

For centuries the relationship between nature and mankind has kindred well-being, hope, and growth. Among the many things, we humans, obtain from the bounteous bosoms of nature, health-enriching nuts, berries, and herbs remain unsurpassed.

An assortment of the finest of these health-enhancing nuts, berries, and herbs bundled have been prominently presented across many cultures as a token of goodwill, care, and good fortune.

Dry Fruit Basket is an endeavour devoted to making acquiring and gifting superior quality and fresh dry fruits pleasant and expedient. For the past 20 years, we have catered 1000s of happy customers across India.

What's our secret?

Consistent and uncompromised quality empowered us to run a promising business. Sourcing the freshest produce from top-notch growers across the globe we have delivered nothing but the pure joy of healthy living to people's doorstep. Ensure

We offer last-mile delivery with innovative packaging, to keep dry fruits and nuts fresh and free from impurities. We ship dry fruits and nuts in Mumbai and across the country.

Your Absolute Well Wishers!

Dry Fruits Basket basis on one fundamental - **Quality**. It's not just quality products but a cumulation superior and unparalleled leadership, understanding, patience, determination, and adaptive approach that ultimately formed a magical formula that paved the way for our long run.

Our company was established in the year 2009. Our founder **Mr. Kalpesh Thakkar** identified a promising opportunity in the B2B domain. The idea was simple, to make the finest quality dry fruits available Pan-India at the best prices. Imports from countries like the USA, Iran, Afghanistan, Turkey, and more enabled us to deliver on our promise.

Several fruitful years later equipped with a finer understanding of quality, service, and the overall dry fruit market, we extended our boundaries and transcended into a one-stop dry fruit marketplace. We launched our website and other digital operations in the year 2014 and opened our doors to a newer and more eager audience.

The Mix Maker Mr. Kalpesh Thakkar

The finest in the world shine the brightest!

The above sentence fits our founder the best. Mr. Kalpesh Thakkar. An MBA in International Business from Welingkar Mumbai. His extraordinary business acumen and dynamic skillsets unlocked many possibilities.

Mr. Thakkar is also the driving spirit behind the transition from physical to digital. He continues to lead the business with great zeal and visions of making quality dry fruits easily available to everyone.

Co-Founder Vaishali Thakkar

A strong pillar of the organization who wholeheartedly believes and abides by the principles set by Mr. Thakkar. Vaishali Thakkar is a stellar example of dedication and spearheaded determination.

Together with Mr. Thakkar, she has adapted and mastered the art of business. Her sharp mind and deep understanding also play an integral role in helping the business achieve its goals.

Our Vision

To create a distinguished omnipresence that empowers our business to fulfil the demands of consumers on a global scale. We endeavour towards creating a fully functional online comprehensive repository of the finest dry fruits from across the world and making it accessible to consumers irrespective of their demand appetite or location.

Our Mission

We aspire to become highly acclaimed suppliers of superior-quality dry fruits across all consumer domains. Assimilating superior quality dry fruits to purchasers across the globe while creating a marketplace, offering a wholesome purchasing experience is an endeavor we have been pursuing from the very beginning. Prime health to individuals and unparalleled provisional benefits to corporations is also one of the fundamentals of our overall goal.
