## Key Features

### 1 Auto exposure and flash for bright photos

Shutter speed and flash brightness are now automatically adjustable to the ambience.

### 2 Perfect for close-up shots

Twist the lens to turn on, and twist again for Close-up mode! This mode is ideal for distances of 30 to 50 cm.

### 3 Line up your best shots with selfie mirror

When you set the Close-up mode ON, the object in print will be right in the center.
